

The diagram is a technical architectural floor plan. It shows a cross-section of a building with various structural elements and dimensions. Key features include:

- Dimensions:** A large vertical dimension of 1 670 is shown on the left. Other vertical dimensions include 950, 620, 570, 100, and 50. Horizontal dimensions include 1 080, 70, 1 080, and 100.
- Structural Elements:** Labeled elements include "HEB 100" (I-beams) at various locations, "DESKY PZD 29/7" (reinforced concrete slabs), and "SO-02" (a structural member or column).
- Other Labels:** "SOUSEDNÍ OBJEKT" (Adjacent Object) is shown in the top right. "P1" is labeled at the bottom center with an upward arrow.
- Line Style:** Thick solid lines represent primary structural members, while thinner lines represent secondary elements or dimensions.

Technical drawing of a building facade section, showing a window unit with dimensions and labels.

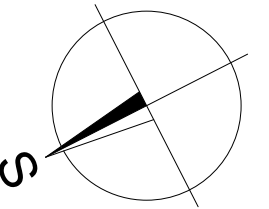

Labels:

- POHLED P1 (View P1)
- DESKY PZD 29/7 (Window frame/panes)
- SO-02 (Structural element)
- HEB 100 (Horizontal beam)

Dimensions:

- Vertical dimensions (from bottom to top):
 - 850 (Total height of the window unit)
 - 150 (Height of the bottom frame/panes)
 - 2 000 (Height of the main window frame/panes)
 - 2 900 (Total height of the facade section)
- Horizontal dimensions (from left to right):
 - ±0,000 (Reference level)
 - +0,150 (Level of the window frame/panes)
 - +2,000 (Level of the top frame/panes)
 - +2,250 (Level of the top frame/panes)

HEB 100 - ŽÁROVĚ POZINKOVÁNO dl. 2900mm - 5ks
