

PODÉLNÝ ŘEZ KOLEKTOREM

Diagram showing the longitudinal section of a collector (KOLEKTOR) with the ground level (TERÉN) and the collector profile. The diagram includes elevations and dimensions.

Elevations:

- Ground level (TERÉN) at left: 198,70
- Ground level (TERÉN) at right: 198,80
- Collector bottom at left: 195,03
- Collector bottom at right: 195,73

Dimensions:

- Horizontal distance between collector points: 70,8
- Vertical distance from ground level to collector bottom at left: 3,7
- Vertical distance from ground level to collector bottom at right: 3,1
- Vertical distance from ground level to collector bottom at left (dashed line): 1,8
- Vertical distance from ground level to collector bottom at right (dashed line): 1,3

Labels:

- Š2 (at left ground level)
- Š1N (at right ground level)
- TERÉN (ground level)
